Global Sourcing

Features

- *Wilson Display designs, sources and imports fixtures in any medium.*
- *Wilson Display can manufacture all products we import for “peace of mind”.*
- *Wilson will prototype in-house for your approval before sending the sample to our global source for duplication = no errors or surprises when your bulk shipment arrives.*
- *As the exclusive Canadian representative of Leggett & Platt, North America’s largest store fixture manufacturer, Wilson Display has access to Leggett’s worldwide resources and facilities.*
- *Import or blended programs; Wilson Display gives you the best of both worlds.*
