

Security Showcases

Features

- *Showcases can be freestanding or adaptable into any gondola system; no need to purchase special components*
- *Inexpensive way to protect “high end/high theft” items but still allow merchandise to be visible and accessible*
- *Showcases are easy to lock up for ease of use by store personnel. High density lock on all sliding doors; can be keyed alike*
- *Option of using pegboard/masonite/slatwall as the backdrop allows use of shelves or pegs to display merchandise*
- *Lighting / lit shelves available*
- *Variety of sizes, finishes and signage available*
